

## **Continuing Education for Doctors**

- Mississippi chiropractors need twelve (12) hours of continuing education each fiscal year to renew their chiropractic license.
- Three of these twelve (12) hours must be in risk management.
- Acceptable hours must be sponsored or co-sponsored by a Council of Chiropractic Education (CCE) approved chiropractic college, a state chiropractic association, or a state board of chiropractic examiners.
- These hours must be received between July 1 and June 30 of the next year.
